

Architects For Learning  
BUILDING STRONG LEARNING FOUNDATIONS

## Snow Cancellation Policy

Architects For Learning makes every effort to remain open regardless of weather. In the rare event that the office must close and your session is cancelled, we will call you. You can also find out about a closing by calling (781) 235-8412, extension 110. The message will be updated by 8:00 a.m. or as soon as a storm becomes significant enough to affect travel.

If the office remains open, but your child's specialist is unable to make your session, you will be called personally on both home and cell phone numbers.

If you cannot arrive here safely, please call extension 110 and speak with the office coordinator or leave a message. We ask that you call if your child's school has closed, as we serve students in many different schools throughout the state and are often unaware of which schools have started late, ended early, or closed for the day.
