

FILM CRITIC CLUB

A summer club for students entering grades 6-8

Middle school students are invited to unleash their inner critic and analyze the world of online media.

Working on their own and in teams, they will critique aspects of feature films, YouTube videos, and online games. In just two weeks, they will design their own media festival.

Along the way, students will

- ◆ Learn research-based strategies for planning and organizing ideas, taking notes, writing, and managing long-term projects.
- ◆ Strengthen listening, speaking, reading, writing, critical analysis, and presentation skills.

July 18 - 29, 2022

Monday - Friday, 8:30 - 11:30 a.m.

In person
